

Pamela's Patterns Pleated Back Flowy Tee Workshop, Friday, April 21st

Attendees will need to bring the following supplies:

- Sewing Machine, threaded with matching thread
- Serger, threaded for a four-thread serge (optional, but very nice to have!)
- Basic supplies including pins, tape measure, seam ripper, marking pen/chalk, small sharp scissors
- Scotch Tape in a weighted dispenser, if possible
- Edge-stitching or edge-joining foot (if you own one)
- 2 yards knit fabric, pre-washed*
- Matching thread, a good poly such as Metrosene or Gutterman is best.
- Pamela's Pattern #120 Pleated Back Flowy Tee – available to purchase at class for \$14**
- SewKeyse Stay Tapes – Knit, Woven, 1" Double Sided – available at class
- Rotary cutter, large mat (at least 30"X36") and weights, if you own them. For weights, I use washers from the hardware store.
- Stretch needles, either 75/11 or 90/14
- Wear a camisole or tank top

*Give your fabric the "stretch" test. Stretch the fabric on the crosswise grain. If it doesn't fully recover to the original size, don't use it!! Good fabric is always a good investment!

One way to gain a little more time in class is to get the pattern ahead of time. Cut the pattern pieces apart from each other, but not on the size lines (we will determine your sizing at the class). Press the pieces flat and place over a hanger to bring to class. If you are ordering the pattern at pamelaspatterns.com, don't forget to enter **ASG in the discount code at checkout for 10% off your order!

Don't hesitate to email me if you have any questions prior to the class.
