

*Piecing Techniques: Stripes, Random and Crazy*

Class with Ann Williamson

April 5, 2025

Supply List

1. Sewing Machine
2. Iron and Board
3. Fabrics: I recommend cotton quilting type fabrics which have body and aren't stretchy or loosely woven. Quilting cottons are good for basic work but other fabrics would be acceptable. We'll be making samples of the different techniques so bring a variety of solids and prints. Bring a selection that works together, at least 3 yards total. More is good. [Because more fabrics to choose from is better than not enough.]
4. Cutting mat
5. Ruler
6. Rotary cutter
7. Light weight interfacing can help with crazy piecing. Bring it if you have it.
8. Thread, scissors, pins, markers and your other preferred sewing supplies.
